

Ice Level Lounge

We look forward to having you in the Ice Level Lounge!

Once in the arena, proceed to **Section 101 on the concourse**, look for the Ice Level Lounge sign. An usher will check your ticket and direct you to the stairwell. Once on the event level, follow signs to the check-in table for your wristband.

Things to Remember

- It is a little **colder** at the ice level, but a lot more **fun**
- No assigned seating, multiple seating options available - arrive early for the best seats
- Please adhere to the Mohegan Arena's Clear Bag Policy
- You will use your wristband to enter and exit the Ice Level Lounge area
